\$10,000 NSF GRANT
AWARDED FOR WOMEN
IN SCIENCE PROGRAM

The College has received a grant of \$10,000 from the National Science Foundation to conduct a Women in Science Career Workshop for women students.

One hundred-seventy-five first and second year students and fifteen counselors or faculty, all women, from two-year and four-year colleges in San Bernardino and Riverside counties will be invited to attend the workshop, scheduled for next Fall.

The program will be aimed at exploring ways to attract women to and retain them in fields of science. The workshop is being developed by a group of CSCSB faculty women under the direction of Florence Weiser, project director and Asst. Dean, Academic Administration, and part-time instructor in Chemistry.

Other faculty involved in the workshop are Frances Berdan (anthropology), Gloria Cowan (psychology), Carol Goss (political science), Jill Kasen (sociology), Martha Kazlo (counseling), Sarojam Mankau (biology), Gaye Perry (Asst. Dean of Students), Ellen Taylor (biology), Lynda Warren (psychology).

An Offer You Can't Refuse
BLOOD DONORS EARN CHANCES
AT DRAWINGS FOR CASH PRIZES

In addition to donating blood to the College reserve which donors or their families may need some day, students and staff will have an extra incentive to participate in the May 5 Annual Blood Drive.

The A.S.B. has donated a \$50 cash prize to be awarded to the lucky student whose name is drawn from the list of student blood donors and the Staff Council has voted to contribute \$25 to be awarded to the staff member whose name is drawn from the list of staff donors.

The drive will be held from 10 a.m. to 2 p.m. in the Lower Commons. The entire College Community is urged to participate and give to the reserve blood fund which is maintained for the College for all faculty, staff and students and their immediate dependents. The College blood fund insures that all the blood needed is available, free of charge. The current cost of blood is approximately \$90 per pint, which makes the College fund invaluable in time of need.

On Thursday, May 5, take out this blood insurance for yourself and your family, free of charge, and perhaps win a cash prize, too!

'MEMORY FOR FACES' TALK
TO BE GIVEN NEXT WEDNESDAY

Remember the lecture on 'Memory for Faces' originally scheduled for last month? It will be given Wednesday, May 4, 4 p.m. in LC-500.

Dr. Leah Light, Professor of Psychology at Pitzer College, Claremont, will draw on her research in this area to discuss why faces are remembered longer than names and what facial features are memorable. Her talk is part of a Department of Psychology Colloquium and will be followed by a discussion time.

The event is open, free of charge, to the public and the College.
